

LABORATORY SERVICES

MidHudson Regional Hospital Laboratory Services, licensed by the New York State Department of Health, provides support in the diagnosis, monitoring, and treatment of patients.

The laboratory offers a comprehensive range of routine and specialty lab tests and services in the areas of chemistry, hematology, microbiology, blood bank, cytology and anatomic pathology. Test results are usually reported the same day as collected or within 24 hours.

Our staff is highly trained, licensed by NYSED, and available around the clock for questions or additional consultation.

The laboratory operates 24 hours a day, seven days a week, and features convenient patient service hours at two local locations backed by the vast academic resources of the WMCHHealth Network.

Insurance

We accept a wide range of insurances, including many of the top providers in the industry. To verify insurance coverage, or for additional information, call **845.431.8186**.

Accreditation

The College of American Pathologists, the American Association of Blood Banks, and DNV accredit MidHudson Regional Hospital Laboratory Services.
